Highest \$ Amount for Jewelry!

Gold, Silver & Platinum Price List : Effective 09.15.2011

Highest \$ Amount for Jewelry!

We pay competitive prices for all Gold, Silver & Platinum - Even broken jewelry!

Gold	Prices based on net weight & purity.
Silver	Prices based on net weight & purity.
Platinum	Prices based on net weight & purity.

When shipping us jewelry please note that not all of the overall weight is recoverable metal weight, i.e. costume jewelry, glass watch faces, leather / plastic watch bands, quartz watch mechanisms, etc. all comprise a portion of the overall weight yet are expensive to demanufacture, separate and dispose of properly. In addition, not all of the metal weight is precious metal weight, e.g. platinum 850 is only 85% platinum - the other 15% is made up of inexpensive alloys and perhaps even soldering lead.

Recycling Fundraiser does not accept costume jewelry including jewelry composed of base metals, plastic jewelry, etc. Please keep in mind that Recycling Fundraiser pays for items based on the recycled metals value only. Recycling Fundraiser does not pay for gemstones or other non-metal jewelry components and will not return ship them.
